Changing the World Two Feet at a Time

**Bringing Shoes to Where
They are Needed Most**

OUR MISSION:

Changing Footprints realizes the great need for shoes in our own community and around the world. We collect previously-worn and new shoes for distribution to homeless, disaster-stricken, and underprivileged people at home and abroad, regardless of race, religion, gender, or ethnicity.

OUR PURPOSE:

- 1 Changing Footprints is a GREEN organization.** 50+ tons of used shoes (100,000 pairs) have been repurposed and did not end up in a landfill.
- 2 Changing Footprints is a VALUES organization.** We offer the opportunity for children 5 and up to learn the joy of helping others through collecting and sorting shoes.
- 3 Changing Footprints is a SOCIAL JUSTICE organization.** We provide shoes to prison release programs, domestic abuse shelters, job placement organizations, and more than 50 IPS after-school groups.

Over 100,000 pairs of shoes donated locally, across the US, and to 17 countries overseas!

We Supply Shoes to Over 100 Indiana Organizations in the Following Fields:

- Domestic Abuse Shelters
- Low Income Assistance
- Children's Services
- Immigrant Resettlement
- School Programs
- Homeless Services
- Disaster Relief
- Employment Training

Donate any kind, any size, any condition, for example:

- Snow Boots • Soccer Shoes • Flip Flops • Crocs • Dance Shoes • Slippers
- Sandals • Sport Shoes • High Heels • Baby Shoes • Cleats • Work Boots

Even damaged shoes are converted into playgrounds.
